# **PROGRAMME**

---

# BIG DAY OOT AT SILVERBURN

**Silverburn Park, Leven | Saturday 5th October, 1pm - 4pm**

One highlight of the festival is our exciting Big Day Oot. We have lots of inspiring activities and stalls for all ages. Activities include creating and making, storytelling, yoga, bushcraft, nature walks and cycle rides.

We'll have shadow theatre and ScrapAntics. We also have fruit trees to give away as part of our A Fruit Tree for Every Garden campaign. And you can enjoy food and drinks on-site from one of our food trucks or at The Cottage Window Cafe.

**Scan for details!**

**This is an open event with no need to book. Just come along and enjoy the fun. Hope to see you there!**

## About Fife Climate Festival

**Fife Climate Festival** is presented by Climate Action Fife and delivered with support from Fife Climate Hub. It's supported by the National Lottery Community Fund's Climate Action Fund and the Scottish Government.

The festival is a celebration of community climate action, filled with inspiring and interesting events and activities. It is designed to celebrate the great climate action work already happening in Fife. We want to show that we can all do make a difference and inspire positive action to tackle the climate emergency. We aim to imagine a world where climate action thrives and what that could mean for Fife.

**There are 50+ events in this printed programme but we are adding even more to the online calendar! Check out the Climate Action Fife website to find events near you.**

### Truth in

# 10

Truth in 10 is a high intensity talk delivered by a Climate Reality Project Leader. It breaks down the science into short chunks with exciting videos and inspiring graphics.

We can bring this talk, and other engaging ways to learn about the climate emergency, to your community. Scan the QR code for details.

Scan for details!

## Thank you!

**Fife Climate Festival** is presented by Climate Action Fife and delivered with support from Fife Climate Hub. The hard work of staff and volunteers at a huge range of organisations from all across the region, alongside our funders, made it possible. We can't possibly list everyone so we just want to extend a massive thank you to you all!
